

## Easily Manage Unlimited Users

Setup and assign unique credentials to access live or recorded video for an UNLIMITED number of users for single- or multi-site projects.

**Ideal for:** Day Care Centers • Nursing Homes • Pet Boarding Facilities • Overnight Camps • Pre-schools & Montessoris

### Benefits for Multi-user Applications

- **Unlimited Users** Provide access to an unlimited number of users, from anywhere in the world.
- **Unlimited Concurrent Access** Video is viewed directly from the cloud, providing seamless viewing to an unlimited number of viewers at one time.
- **Centralized Credential Management** Add and manage users through a single dashboard, with the ability to assign users unique viewing and management privileges - down to the camera level.
- **Multi-site Management** Centralized management of unlimited users, across single or multi-site installations, is ideal for operations with centralized LP or security functions.

### Powerful and Secure

- Leverage unlimited computing power, bandwidth, and storage—as needed.
- All video stored in T4 data centers—featuring end-to-end data encryption and 3x data redundancy.
- Continuous security patches and automatically applied firmware updates keep customer data ultra-secure.

### Lower Cost of Ownership

Alibi Cloud VS reduces the up-front investment in a local recording and/or storage device, and eliminates the installation and ongoing maintenance expenses required by an on-premise security solution.
