

## Comply with Video Retention Laws

Meet legal requirements for off-premise video storage with the flexibility to scale video storage retention based on applicable regulations.

**Ideal for:** Cannabis Growers & Retailers • Casinos • Banks • Retailers • Schools & Counseling Centers • Hospitals • Pharmacies

### Cloud Technology Simplifies Legal Compliance

- **Flexible Storage** Alibi Cloud VS offers off-premise storage options to meet any federal, state, and/or local regulations and requirements.
- **Network Integrity** Alibi Cloud VS requires no inbound firewall ports to remotely view video, maintaining network integrity and protecting customer information.
- **Smart Analytics & Search** Powerful, built-in video analytics help you to quickly find specific events by date, time or defined area in the field of view.
- **Easy Video Offloading** Easily access and offload video evidence for legal or court mandated submission via your smartphone, tablet or computer

### Powerful and Secure

- Leverage unlimited computing power, bandwidth, and storage—as needed.
- All video stored in T4 data centers—featuring end-to-end data encryption and 3x data redundancy.
- Continuous security patches and automatically applied firmware updates keep customer data ultra-secure.

### Lower Cost of Ownership

Alibi Cloud VS reduces the up-front investment in a local recording and/or storage device, and eliminates the installation and ongoing maintenance expenses required by an on-premise security solution.

See what the cloud can do for your business.
